Something went wrong. Wait a moment and try again. Talk of caricature-based fictional adventure series, and the Pokemon is visibly the first name that clicks into your mind. The fiery quest of the meticulous Ash with his doting cat Pokemon Pikachu against the villainous Team Rocket and their devilous leader can never be forgotten. The immense love for the show transformed into a plethora of Pokemon games. Of the many gaming choices available, let's talk about the Pokemon Black version 2 of the Nintendo DS in particular. Pokemon Black Version 2- The Launch Story Released on October 7, 2012, this game was introduced to the world by the Nintendo DS family in the role-playing genre. Originally launched as a 3D game, you can also enjoy the 2D format of Pokemon Black Version 2 with a Nintendo 3DS ROM system. This one is a multiplayer game that takes you on an adventurous journey in the Unova region. Games of the Pokemon franchise are best enjoyed through emulated consoles, and the best part is, you need not put much of a hustle in making it all set. Just get a copy of the game, download the Pokemon Black Version 2 ROM files to emulate the game, and land into the combatting quest with Ash, Pikachu, and their nasty counterparts. Storyline of the Game As mentioned before, the story of this thriller and exciting gaming quest begins in Aspertia, a southwestern city of the Unova region, and is set in a time zone of 2 years post the initial combats of Pokemon Black Version 1. If you have witnessed the same, you will visibly notice a lot of changes everywhere, right from the landscapes to the challenging hurdles of your gaming quest. While on your way, you will be excited to discover a whole new variety of places and also get a chance to meet a lot of new people. You will be further surprised to see the retained characters of the Pokemon Black Version 1 assuming some new and difficult role-plays. Gameplay of Pokemon Black Version 2 Talking of the specific gameplay, undertaking the quest, you are tasked to unravel the mystery of the Black Kyurem, the inscrutable Pokemon of the Unova landscapes. The latter is a Dragon from the Ice Pokemon species, and this is all you get to know about this mysterious creature at the start of your quest. Through the search episode, you will learn about Kyurem's destructive ice-based attacking system that is potentially stronger than the Fusion Flare and Fusion Bolt of Reshiram and Zekrom of the earlier version of the game. An exclusive specialty of the game is its connection to the Pokemon Dream Radar. Much to your delight, you are free to send all your Dream Radar Pokemon to Pokemon Black Version 2. So what are you waiting for, land into a thrilling hunt of the mysterious Kyurem today, and don't forget to invite your friends, lest they miss out on the adventure streak! Awalnya kaget juga pas lagi cari informasi tentang pokemon game sun and moon, tanpa sengaja saya dapat link menuju pokemon game black ver 2. Ternyata setelah dilihat pokemon game black ver 2 yang diluncurkan tahun 2013 ini, adalah sekuel dari pokemon game black keluaran 2010 lalu. Padahal semua pokemon game sudah khatam dan pokemon black adalah pokemon game nds terakhir, mungkin gegara kesibukan jadi lupa update informasi, kalau pokemon game black ada sekualnya. Singkat cerita saya langsung coba mainkan pokemon black ver 2, dan menemukan banyak sekali perubahan, bahkan ukuran game yang tadinya hanya 256mb menjadi 500mb lebih! Lantas apa saja sih perbedaan pokemon black ver 2 ini? Storyline Kalau dari storyline sudah jelas pokemon game black ver 2 ini mengambil cerita dua tahun setelah pokemon black orisinal. Team plasma lagi-lagi bangkit untuk membuat kekacauan antara pokemon dan manusia, tentunya ini side story dimana utamanya adalah kita menjadi pokemon master dengan berkeliling dunia dan battle serta mengalahkan para gym leaders. Gameplay Sama sekali tidak ada perubahan yakni rpg adventure dimana tokoh utama hanya boleh membawa enam pokemon dengan battle sistem yang cukup sederhana. Elemen taktik terletak pada pokemon itu sendiri dimana setiap elemen atau jenis pokemon mempunyai kelebihan dan kekurangan satu sama lain. Random encounters masih sama yakni harus masuk ke dalam rumput lalu battle untuk menangkap pokemon. Perbedaan pokemon game black ver 2 ini adalah memaksimalkan nintendo dsi sedemikian rupa agar mendekati 3ds. Mulai dari beragam view 3d di setiap region sampai battle scene yang dibuat sama dengan 3ds. Kalau di pokemon black orisinal battle scene masih terasa kaku, maka di pokemon ver 2 sudah nggak lagi. Bentukan gym pun sudah nggak sama karena jauh lebih keren ada yang di dalam ruangan ada pula yang di luar ruangan. Beberapa scene movie keren turut menghiasi dan ada beberapa region baru dengan lokasi menakutkan, seperti di dalam selokan atau di dalam laut. Yang lebih asik jumlah pokemon di black ver 2 ini adalah 300, karena pokemon dari generasi sebelumnya, pokemon platinum ada di sini. Satu lagi yang dirasa berbeda adalah pacing game, sebab di pokemon game black orisinal pacinya lambat sekali, sementara di pokemon game black ver 2 ini cepat banget. Seolah kita dikejar-kejar untuk membasmi team plasma. Battle di pokemon game black ver 2 pun lebih susah, sebab beda lima level seperti hanya beda satu level, belum lagi move yang dulu nggak penting macam charge, work up dll kerasa banget manfaatnya. Pokedex pun punya beragam fitur baru seperti habitat, sementara medal box masih belum tahu untuk apa. Untuk pokemon contest diganti dengan pokemon marathon dan pokewood movie sebagai mini game. Nah, buat yang belum mampu move on dari nintendo ndsi ke 3ds seperti halnya saya. Pokemon game black ver 2 ini boleh dijadikan pelipur lara, buat yang masih mengidam-idamkan bisa main pokemon game x dan y ataupun moon and sun. Amat disarankan untuk pakai game orisinal, sebab banyak fitur online yang seru banget, walaupun udah ketinggalan jaman dan nggak ada mystery gift lagi, tapi lumayan dari pada mupeng liat pokemon game di 3ds. Mulus sekali penjual ramah cepet sampe it takes a lot of work to build, maintain, and improve a site like this and all the wonderful content you're about to enjoy. We and third parties use tech like cookies to make this happen. By continuing, you consent to the use of these technologies, and affirm you're at least 16 years old or have consent from a parent or guardian.
